## **Program Guidelines**

- 1. Complete and return application to include household income/expenses including domestic partners with verification of income and copies of all of your medical insurance cards.
- 2. Application must be approved by the SLVHA <u>prior</u> to any treatment.
- 3. Applicant selects a participating dentist of choice, utilizing in-network providers as indicated by their insurance when possible.
- 4. Exam, cleaning, treatment plan performed by DDS.
- 5. If further work is needed, treatment plan and new application must be submitted to SLVHA for approval <u>prior</u> to any treatment.
- 6. Once approved, treatment can begin.
- 7. Approval is valid for 6 months from the date of approval except in dental treatment that requires a longer period of time to be completed, e.g. tissue grafting. If assistance not used within allotted time, approved treatment financial assistance will be withdrawn and the dental provider notified.
- 8. Emergency approvals good for one (1) week only.
- 10. Approval good for <u>present</u> treatment plan only. Future treatment will require a new application for assistance and a treatment plan with approval.

Please contact SLVHA at 518-891-0910 for questions or assistance in completing the application.

## **Patient Responsibilities**

1. Patient must be a legal resident of the Saranac Lake Central School District. \*

**legal residence** - (law) the residence where you have your permanent home or principal establishment and to where, whenever you are absent, you intend to return; every person is compelled to have one and only one domicile at a time.

A **domicile** is where a person INTENDS to make it and a person can be domiciled in only 1 place. The domicile is where a person intends to remain permanently and return to despite having multiple residences. Evidence of domicile is established by establishing bank accounts, voter registration, driver's license and other things the court may consider as evidence a person intends to remain permanently in one locale.

- 2. Dental procedure(s) must be for basic dental care. Basic dental care does not include crowns, bridges, implants, cosmetic procedures, or procedures deemed unnecessary to achieve and/or maintain overall good dental health.
- 3. Patient must not be enrolled in Medicaid or Family Health Plus. \*\*
- 4. Patient with any dental insurance benefit that covers treatment plan must utilize such benefit. Their assessment of financial need will be based on uncovered dental expenses. Applicant assumes responsibility to verify coverage and submit claims for any dental insurance benefit if required. \*\*\*
- 5. Patient must have financial need.
- 6. Patient must be motivated to maintain good oral health.
- 7. Patient must maintain good oral hygiene.
- 8. Patient must be responsible to keep scheduled appointments. Repeated missed appointments could result in approval being withdrawn.
- 9. Patient will be responsible to pay the dentist, at time of service, the patient's portion of the treatment cost.
- \* SLVHA reserves the right to request verification of legal residence.

\*\* SLVHA may refer a patient to apply for Medicaid or Public Assistance based on their application information. Initial dental assistance may be granted, but subsequent applications may consider eligibility status for Medicaid or Public Assistance.

\*\*\* If indicated SLVHA may request patient sign "Agreement to Utilize Insurance Benefit" form.
